## FOR CRIMES AGAINST THE PEOPLE

NAME: THOMAS HYDE

DESCRIPTION:

Sex: male

complexion: light

Height: 6'2"

Facial hair: clean-shaven, sometimes a short, blond goatee

Weight 240 lbs.

Build: fat

Hair: short, blond

OCCUPATIONS: F.B.I. informer, dealer of heroin and marijuana, works in or owns the Adam and Eve Book Store, a porno outlet at 815 14th St. N.W., Wash., D.C., just around the corner from the F.B.I. dealer in stolen guns, provocateur

RESIDENCE 4301B Knox Rd. College Park, Md.

CAR: Late model Camaro, dark green, tag no. GS 2891 (Md.)

M/O: Hyde goes to all the meetings and rallies, acting as the political heavy, yet has no recognizable politics. He always has lots of dope which he either gives away or sells at high prices. Hyde uses both heroin and grass (frequently) and has tried to convince others of the merits of smack. At demonstrations he acts as provocateur, usually by instigating rock throwing, etc. Hyde is extremely sexist and, although married, likes to play Big Daddy to the women in the dorms, where he sells a lot of dope. In his role as provocateur, he has been heard to call police "queers".

Activities; Hyde has been busted twice on dope charges yet has never served any time. (He may have a much longer dope record than that known.) He was involved directly in several, recent dope busts which he helped set up. At the Three Dog Night concert Hyde threw a large bottle at two plain-clothed pigs and handed bottles to others to throw. Hyde plans to start a drug half-way house in the area. He was a member of the central committee of DRUM and did leaflet work during the student strike of '70. He was arrested as a result of the Three Dog Night concert but his case was statted even though he was on probation at the time of the arrest.

MISC.: When informers are exposed they are cut loose by the F.B.I. They have been known to suddenly see the light and repent. Just as with any one else these pigs should be judged by their overall behavior. Hyde's behavior has been that of low-life scum. He should be considered dangerous.
