

**"O Beautiful For Spacious Roads
That Spread From Slum To Slum"**

©1967 HERBLOCK
THE WASHINGTON POST

Oh beautiful, for spacious roads
That spread from slum to slum.
The smog is gray, the homes decay,
But see the profits come.
Suburbia, suburbia, there's profit there to glean.
Pollute the air, but they don't care,
They're selling gasoline.

Oh beautiful for Interstate,
For glorious 90-10.
Don't heed the people's picket signs,
But just cement them in.
America, America, Ford shed his Grace on thee.
Black and white, unite and fight,
To defeat High-way Lobby.

Emergency Committee on the Transportation Crisis

ECTC

The action-coordinating committee of organizations fighting against freeways and for rapid mass transit

This Land ~

This land is our land,
And we will save it
From all the fat cats
Who want to pave it.
We'll have our freedom,
Our homes and woodlands
We'll STOP THE BRIDGE AND FREE D.C.

As I went rowing
Out to Three Sisters
I saw an army
Of bridge resisters
And the banners waving
And the voices singing
This land belongs to you and me.

This land is our land,
It is not their land;
It's not a car land,
Polluted air land,
We'll have a brave land,
And not a paved land
We'll STOP THE BRIDGE AND FREE D.C.

Riverside ~

They'll build no bridge or freeway here
Down by the riverside,
Down by the riverside,
Down by the riverside.
They'll build no bridge or freeway here
Down by the riverside
AND WE WILL FREE D.C.

They ain't gonna pave our land no more,
They ain't gonna pave our land no more,
They ain't gonna pave our land no more.
They ain't gonna pave our land no more,
They ain't gonna pave our land no more,
And WE WILL FREE D.C.

We're fighting for the right to breathe, etc.
(Chorus)

We'll never let them bulldoze here, etc.
(Chorus)

We'll save our homes, we'll save our trees, etc.
(Chorus)

We'll fight united, black and white, etc.
(Chorus)
