

INSTRUCTION SHEET FOR FUND COLLECTORS ON OCTOBER 21
NATIONAL MOBILIZATION COMMITTEE TO END THE WAR IN VIETNAM

857 Broadway
New York, 10003
212-675-4605

2719 Ontario Rd. NW
Washington, D.C.
202-387-3626 or
202-438-2150

If the National Mobilization is to avoid incurring an enormous debt for this October Mobilization, in addition to the \$20,000 deficit it now retains, every possible effort must be made to offer the thousands of individuals assembled here today an opportunity to contribute toward the ending of this war. We are counting on each of you to collect as much money as possible.

Each fund collector should receive: 1) Either a cloth shoulder bag or a cardboard container into which the monies can be placed and 2) a yellow card with the National Mobilization stamp and a dollar symbol (\$) on it which designates you as an official collector for the Mobilization.

In return, the Mobilization office (either Beverly Greenblatt or Mary Nichols) should have the name, address and phone number of each collector. You should give us this information at the same time you receive your bag and badge. When you return the monies collected, your name will be checked off the list.

Fund collectors should distribute themselves throughout the entire crowd at the rally at Lincoln Memorial. A fund appeal will be made from the platform which will make your collecting job easier. You will probably be receiving some contributions in envelopes that will be passed out beforehand.

A panel truck with a large "Buttons" sign will be located directly south of the Lincoln Memorial. All contributions collected should be brought to that truck and given to Mary Nichols or Bev Greenblatt, who will then check your name off the list. No monies should be taken over the bridge to the Pentagon.

Additional fund collectors from New York will also be collecting money on the road the road to the bridge, which will offer us an additional opportunity to collect contributions.

Your help is vital-- and is very, very much appreciated.
