

SLAVERY EXISTS!

MISS AMERICA IS A SLAVE TO:

THE IMAGE OF SEX

The best specimen gets the blue ribbon. She is an object not a person.

A VIRGINAL PRETTINESS

To win approval she must be both sexy and virginal.

THE GLORY OF WAR

The highlight of her reign each year is a cheerleader for American troops abroad.

A MINDLESS CONFORMITY

Miss America represents what women are supposed to be: conforming, bland, spiritual.

ACCEPTANCE OF RACISM

There has never been a Black, Puerto Rican, Mexican, Jew, Italian or Mexican-American winner. Her last name ever been a true Miss America -- an American citizen.

THE CULT OF YOUTH

When must be young, fresh, malleable, blue eye, white teeth.

THE COMPETITIVE SPIRIT

She participates in the American myth of having to get ahead in order to have any work.

THE CAPITALISTIC SYSTEM

She is a walking commercial, and her up and she brings your product on promotional tours and TV.
