IMPEACH THE GOVERNOR!

WHEREAS:

Lindsey Almond fraudulently obtained the office of Governor of Virginia by unconditionally promising the voters over and over that, if he were elected, there would never be ANY integration, anywhere in Virginia, so long as he were Governor, and,

WHEREAS:

Lindsey Almond has dishonored his promise to his people to protect their Constitutional rights and the Constitutional rights of the Sovereign State of Virginia, and

WHEREAS:

Lindsey Almond has pusillanimously failed to use the militia, the State Police, the power of the Legislature, and many other means at his disposal to resist the illegal encroachments of the Jewish-Communist controlled NAACP, acting in the disguise of the Federal Government, in spite of his sacred oath to defend his people and his state from such encroachments, and,

WHEREAS:

Lindsey Almond was aware, at the time he made the promises to prevent integration, which got him elected, that the entire power of the Jewish integration machine, and the Federal Government which it controls, would be brought to bear to destroy the freedom and sovereignty of his state and his people, and he has traitorously deserted the battle he undertook in the face of the first strong enemy pressure, and passively cooperated with the enemy in placing Negroes in Virginia schools for the first time in history,

NOW, THEREFORE, WE, THE CITIZENS OF THE SOVEREIGN STATE OF VIRGINIA,

in accordance with our ancient rights as free men and women and citizens of a free state, petition our elected representatives in the Legislature of the State of Virginia to institute immediate IMPEACHMENT proceedings against LINDSEY ALMOND to the end that he may be removed as Governor as soon as possible, and as a warning to other officials who may, in the future, be tempted to betray their oaths and their trusts to their people.

VIRGINIA COMMITTEE TO IMPEACH THE
GOVERNOR

NOW THAT THE SUBVERSIVE FORCES BEHIND INTEGRATION have gained beach-heads on every front, destroyed all organized opposition, and made cringing cowards out of our elected leaders, ONLY THE POWERFUL REACTION OF THE WHOLE PEOPLE can save the situation. . . . Only when we can make our officials more respectful of the wishes of the PEOPLE they serve than they are afraid of the pressures of the Communist-NAACP and the tyrannical Federal Government will they get off their knees before the Supreme Court, and the subversive pressure groups, and stand up like MEN for the Constitution and the Sovereign State of Virginia. Only when we have made it clear to the cowards and greedy office-seekers that they are SURE to be impeached every time they betray their sacred oaths to the People, can we hope to restore the freedom and racial self-respect won by the heroism of our forbears.

The vile pressure groups which have now breached Virginia's ancient traditions of racial decency and Constitutional Law will not be content even when the schools are totally integrated. We have only to look up North and into the filth of our sprawling cities to see that their next step is the placement of Negroes in White Apartment Houses, inter-racial social affairs, and finally the disgusting scenes of black Negroes hugging and kissing our white girls so common in the North.

If you want to protect your sons and daughters from this terrible fate, you MUST ACT RIGHT NOW. Your leaders have failed you, and TALK won't do it. You must ACT!

YOU can do it! --There are hundreds of thousands of us in Virginia! Just 500 of us with the patriotism to gather only 200 names on this petition will give us a HUNDRED THOUSAND signatures, --more than enough to drive cold fear into the hearts of the betrayers, --and get some ACTION!

Sign NOW, and send \$1.00 to the Virginia Committee to Impeach the Governor for more petitions and literature. Spread them around. PUSH! We're doing OUR part. Do YOURS, and WATCH the cowardly politicians sit up when the PEOPLE SPEAK!
